Alien Ant Farm, S.S. recognize

I'm back to your game Inpacting for rain And tot he flow when I think the vessel bent Now time is precious Rocky waves we're naucious Knocking... Everything is wet! From us the ocean will be fed What made us try To have done what we do Let's dream of dry Then I'll tremble in the nightsky full-tide Don't you recognize, I'll rock the boat again I'm getting scurried, bad Don't you recognize, I'll rock the boat again I'm getting scurried, bad Now it's been days And the sun won't show it's face To blame mistakes on me Now the cold becomes obscene Will you just spend Think I'm saving my life again This ship has made me cry I think the next we should fly sky fuel side Don't you recognize? I'll rock the boat again I'm getting scurried, bad! Don't you recognize? I'll rock the boat again I'm getting scurried, bad! Will bring up all the sharks Cause all the whales have got my suit You failed to reconize all the things we do Check yourself, the boat's just bout to sink Your gunna choke on the salt if you dry to drink Will bring up all the sharks Cause all the whales have got my suit You failed to reconize all the things we do Check yourself, the boat's just bout to sink Cause we don't need you bitch You think you are the missed link All the prison in the world couldn't make you All the rescue that I see don't bring you Stand up or sit back and walk the plank Hit the deck and recall [2X] All the prison in the world couldn't make you [3X] Jump, Jump, Jump Sit back and walk the plank Hit the deck and recall all you used to take All the things that don't work Hit the deck and recall Don't you recognize? I'll rock the boat again I'm getting scurried, bad! Don't you recognize? I'll rock the boat again I'm getting scurried, bad! Don't you? [4X]
