

Alisha's Attic, Affected By You Not

(Poole/Martin/Poole)

Here I am
Comfortably here
All you other angels
You should feel inferior

Picture me
Affected by you not
Perhaps you'd like to fire
A few desperate words
Of aggression, yeah

I'm affected by you not
Perhaps you'd like to take
The world out on me
It's a fashion, yeah
I'm affected by you not
(You not)

Yeah, here I stand
Open and relaxed
While you push and prod
And think you've got bruises
Girl

All I am is exhausted
By the bitterness
There you go
Show another great lack
Of compassion, yeah

I'm affected by you not
Anybody tell you
It's rude to abuse
Someone's passion, yeah

I'm affected by you, no
I'm affected by you
No, no
