

Alisha's Attic, Me & The Dolphins

Soul fishing under the waves
Like a freedom, it feels so amazing
I laughed and I laughed
As I took the first breath -
Never really knowing the depth
And the deeper I went
The more thrilling the scene
Something here feels so inviting

Me and the dolphins (this is the right way)
Me and the dolphins, aaaaah (what a thought)
Me and the dolphins (soul fish)

Me and the dolphins
Feels so inviting (I'd give anything)
Feels so inviting

[repeat to fade]
