

# Alisha's Attic, Valentines '98

(Poole/Martin/Poole)

I gave you sympathy  
I gave you apathy  
I gave you honesty  
I gave you all of me  
It's Valentine's Day  
And what did I buy you?  
I wrapped up all the love we had  
And threw it in your face  
Coz you deserved it  
And I'm not sorry  
You don't know if you want me forever  
And I can't handle it, no  
So I'm losing my appetite quite quickly  
Are you surprised?  
This love is a lie  
I gave you everything  
But I wonder what you wanted  
It was never enough and I think  
That you like to believe  
I was with someone else  
But the show was fun while it lasted, yeah  
You thought you couldn't lose  
Till you thought you slept with an angel  
But the angel, I couldn't do  
And you deserved it  
And I'm not sorry  
You don't know if you want me forever  
And I can't handle it, no  
So I'm losing my appetite quite quickly  
Are you surprised?  
This love is a lie  
Oh yeah, yeah, yeah  
Oh yeah, yeah, yeah  
Oh yeah, yeah, yeah  
Oh yeah, yeah, yeah  
(Ah)  
So I'm giving you nothing  
Coz nothing's all I got left  
Now you're bringing me down, down, down  
(Down)  
Shame really that it never got off the ground  
(Well here am I, a little nurse to your ego)  
But you deserved it  
And I'm not sorry  
You don't know if you want me forever  
And I can't handle it, no  
So I'm losing my appetite quite quickly  
Are you surprised?  
This love is a lie  
Oooh this love is a lie
