

Alison Goldfrapp, Digging Deeper (Claptone)

Everything has changed
Everything has changed
In my head
In my heart
In my veins
Everything has changed
Everything has changed
In my head
In my heart
In my veins

Ooh I'm digging deeper now
Ooh I'm digging deeper now
Ooh I'm digging deeper now
I know I'll find a way
Ooh I'm digging deeper now
I know I'll find a way to the heart

In my head
In my heart
In my head
In my heart
In my head
In my heart
In my head
In my heart

Ooh I'm digging deeper now
I know I'll find a way
Ooh I'm digging deeper now
I know I'll find a way to the heart
