=====  
Alison Kraus - Looking In The Eyes Of Love  
=====

I wonder should I tell you  
'Bout all the crazy things I've ever done  
I've been searching all my life  
And when I should have stayed  
I tried to run  
I was searching for an answer  
In a world full of strangers  
But what I found was never real enough  
Now that I've found you  
I'm looking in the eyes of love  
Darlin' you've been good to me  
You are so much more than I deserve  
I never thought that I would find  
Someone who's so sweet and kind like you  
Please believe me when I say  
This time I won't run away  
I swear by all of Heaven's stars above  
Now that I've found you  
I'm looking in the eyes of love  
Looking in the eyes of love I can see forever  
I can see you and me walking in this old world together  
Lord my heart's found a home  
I've been dreaming of  
Now that I've found you  
I'm looking in the eyes of love  
Looking in the eyes of love I can see forever  
I can see you and me walking in this old world together  
Lord my heart's found a home  
I've been dreaming of  
Now that I've found you  
I'm looking in the eyes of love
