

# Alison Krauss, Cloudy Days

Dark clouds hangin' over me  
When will they go away?  
Rain is in my eyes and I can't see  
Life's become just cloudy days

Why she done me like she done  
I guess I'll never know  
She knows I need her more than anyone  
I made a point to let it show

Cloudy days don't the sun ever shine anymore?  
Stormy weather will you always be around?  
When I'm down, I can't stand cloudy days

I recall a time when times were good  
Lord, it seems so long ago  
But you know they say if rain won't come  
Then love has no chance to grow

Cloudy days don't the sun ever shine anymore?  
Stormy weather will you always be around?  
When I'm down, I can't stand cloudy days

Cloudy days don't the sun ever shine anymore?  
Stormy weather will you always be around?  
When I'm down, I can't stand...

Cloudy days don't the sun ever shine anymore?  
Stormy weather will you always be around?  
When I'm down, I can't stand cloudy days

Stormy weather will you always be around?  
When I'm down, I can't stand cloudy days
