

# Alison Krauss, Didn't Leave Nobody But The Bab

Go to sleep you little baby  
(Go to sleep you little baby)  
Go to sleep you little baby  
(Go to sleep you little baby)  
You're mama's gone away and you're daddy's gonna stay  
Didn't leave nobody but the baby  
Go to sleep you little baby  
(Go to sleep you little baby)  
Go to sleep you little baby  
(Go to sleep you little baby)  
Everybody's gone and the cotton and the corn  
Didn't leave nobody but the baby  
You're a sweet little baby  
(You're a sweet little baby)  
You're a sweet little baby  
(You're a sweet little baby)  
Honey and a rock and the sugar don't stock  
Gonna bring a bottle to the baby  
Don't you weep pretty baby  
(Don't you weep pretty baby)  
Don't you weep pretty baby  
(Don't you weep pretty baby)  
She's long gone with her red shoes on  
Gonna need another lovin' baby  
Go to sleep you little baby  
(Go to sleep you little baby)  
Go to sleep you little baby  
(Go to sleep you little baby)  
You and me and the devil makes three  
Don't need no other lovin' baby  
Go to sleep you little baby  
(Go to sleep you little baby)  
Go to sleep you little baby  
(Go to sleep you little baby)  
Come on lay your bones on the alabaster stones  
And be my ever lovin' baby
