

Alison Krauss, Somewhere In The Vicinity Of The

Thousand miles of lonesome highway
Drinking gallons of coffee in a little cafe's
Brought me here and it's so good to find
That there's someone who's got the same story as mine
Just look at us, we're a couple of hard cases
So how'd we end up where we are
Somewhere in the vicinity of the heart
I feel something hitting me awful hard
I don't know where it's gonna lead
But I just know it starts
Somewhere in the vicinity of the heart
Been so long, I can't believe I feel something so sweet
Where an ache used to be, don't fall in love anymore
But I've never met anyone like you before
Stay here with me for a couple of more minutes
I think there's something going on
Somewhere in the vicinity of the heart
I feel something hitting me awful hard
I don't know where it's gonna lead
But I just know it starts
Somewhere in the vicinity of the heart
Well it sure took a while to find
It's been waiting here all this time
Somewhere in the vicinity of the heart
I feel something hitting me awful hard
I don't know where it's gonna lead
But I just know it starts
Somewhere in the vicinity of the heart
