Alison Krauss, The Angels Cried

They came from near, they came from far Following a distance star to where He lay Not being sure of what it meant But knowing it was heaven sent

They made their way

And the creatures gathered 'round

And didn't make a sound

And the angels cried

The angels knew what was to come

The reason God had sent His son from up above

It filled their hearts with joy to see

And knowing of His destiny

Came tears of love

And the creatures gathered 'round

And didn't make a sound

And the angels cried

I've often thought about that night

And wondered if they realized

That star so bright

Was sent to tell all the land

The Son of God would soon become

The Son of man

And the creatures gathered 'round

And didn't make a sound

And the angels cried

And the angel cried

And the angel cried

And the angel cried
