Alison Krauss & Union Station, Another Day, Ano

Alison Krauss & Eamp; Union Station Miscellaneous Another Day, Another Dollar Another day, another dollar That's what I'm working for today Another day, another dollar Sure can't buy my blues away

I'm just trying to make a living Working jobs that I enjoy But it ain't easy finding something For this lonesome-hearted boy

Another day, another dollar That's what I'm working for today Another day, another dollar Sure can't buy my blues away

You know my life is like a highway Just too many roads to take You know I'll try to take the right one Just gets harder every day

Another day, another dollar That's what I'm working for today Another day, another dollar Sure can't buy my blues away

Another day, another dollar That's what I'm working for today, hey Another day, another dollar Sure can't buy my blues away

Another day, another dollar Sure can't buy my blues away
