

# Alison Krauss & Union Station, Baby, Now That I'

Baby, now that I've found you, I won't let you go  
I built my world around you, I need you so  
Baby even though you don't need me now  
Baby, now that I've found you, I won't let you go  
I built my world around you, I need you so  
Baby even though you don't need me  
You don't need me no, no  
Baby, baby, when first we met  
I knew in this heart of mine  
That you were someone I couldn't forget  
I said right and abide my time  
Spent my life looking for that somebody  
To make me feel like you  
But now you tell me that you want to leave me  
But darling I just can't let you  
Baby, baby, when first we met  
I knew in this heart of mine  
That you were someone I couldn't forget  
I said right and abide my time  
Spent my life looking for that somebody
