

Alison Krauss & Union Station, Crazy Faith

I lit my love and watched it burn
Asking nothing in return
Except the lessons I' will learn
Holding crazy faith
I've been touched by that bright fire
Down to the root of my desire
While the smoke it rises higher
On crazy faith
You're not asking if I love this man
I know you don't, you don't believe you can
Yet, I've seen love open like a dancers fan
It's crazy I know, but my faith says so, it tells me
Am I old fool for hanging love?
Would I be a fool to be long gone?
When has daylight gone to dawn
On my crazy faith
The questions will not let me sleep
Answers buried way too deep
At the bottom of our lovers leap
Made by crazy faith
You're not asking if I love this man
I know you don't, you don't believe you can
Yet, I've seen love open like a dancers fan
It's crazy I know, but my faith says so, it tells me
Love your loose and loose your love
Let the hope fly from the glove
Do not search the skys above
Search your crazy faith
Love is lightning, love is ice
It only strikes the lucky twice
Once so you will know the price
And once for crazy faith
You're not asking if love this man
I know you don't, you don't believe you can
Yet, I've seen love open like a dancers fan
It's crazy I know, but my faith says so
