I Can Let Go Now

It was so right

It was so wrong

Almost at the same time

The pain and ache

A heart can take

No one really knows

But when the memories cling and take you there

Till you no longer care

You can let go now

It's not right for me

To cling to you

Somehow I just needed time

From what was to be

It's not like me

To hold somebody down

But I was tossed high by love

Almost never came down

Only to land

Where no love is found

And I'm no longer bound

I can let go now
