Last Love Letter

I'm writing my last love letter

And for reasons now, I don't know where to start

Seems so many times I've written down "I love you"

Well I hope this time I can get that through your heart

Only fools will go on and keep talkin' to a wall

But I can't fool around forever

And if stone is the wall that you've built around your heart

Then I guess it's goodbye in this letter

And maybe I was wrong to ever think that you could love me

I was hoping you just couldn't find the time

Have my efforts been in vain with pen and paper?

Did you ever care, did I ever cross your mind?

Only fools will go on and keep talkin' to a wall

But I can't fool around forever

And if stone is the wall that you've built around your heart

Then I guess it's goodbye in this letter
