

Alison Krauss & Union Station, Looking In The Eyes

I wonder should I tell you about all the crazy things I've ever done
I've been searching all my life and when I should have stayed I tried to run
I was searching for an answer in a world full of strangers
But what I found was never real enough
Now that I've found you, I'm looking in the eyes of love
Darlin' you've been good to me, you are so much more than I deserve
I never thought that I would find, someone who's so sweet and kind like you
Please believe me when I say, this time I won't run away
I swear by all of Heaven's stars above
Now that I've found you, I'm looking in the eyes of love

Looking in the eyes of love, I can see forever
I can see you and me walking in this old world together
Lord my heart's found a home, I've been dreaming of
Now that I've found you, I'm looking in the eyes of love
Looking in the eyes of love, I can see forever
I can see you and me walking in this old world together
Lord my heart's found a home, I've been dreaming of
Now that I've found you, I'm looking in the eyes of love
