Alison Krauss & Union Station, Looking In The Ey

I wonder should I tell you about all the crazy things I've ever done I've been searching all my life and when I should have stayed I tried to run I was searching for an answer in a world full of strangers But what I found was never real enough Now that I've found you, I'm looking in the eyes of love Darlin' you've been good to me, you are so much more than I deserve I never thought that I would find, someone who's so sweet and kind like you Please believe me when I say, this time I won't run away I swear by all of Heaven's stars above Now that I've found you, I'm looking in the eyes of love

Looking in the eyes of love, I can see forever I can see you and me walking in this old world together Lord my heart's found a home, I've been dreaming of Now that I've found you, I'm looking in the eyes of love Looking in the eyes of love, I can see forever I can see you and me walking in this old world together Lord my heart's found a home, I've been dreaming of Now that I've found you, I'm looking in the eyes of love
