

# Alison Krauss, Whiskey Lullabye

Alison Krauss  
Mud On The Tires  
Whiskey Lullabye  
[Brad Paisley]:

she put him out  
like the burning end of a midnight cigarette  
she broke his heart  
he spent his whole life trying to forget  
we watched him drink his pain away a little at a time  
but he never could get drunk enough to get her off his mind  
until the night...

Chorus [Brad and Alison Together]:

he put that bottle to his head and pulled the trigger  
and finally drank away her memory  
life is short but this time it was bigger  
than the strength he had to get up off his knees  
we found him with his face down in the pillow  
with a note that said i'll love her till i die  
and when we buried him beneath the willow  
the angels sang a whiskey lullabye  
la lala la lalala  
la lala la lalalaaaa  
la lala la lalala  
la lala la lalalaaaa

[Alison Krauss]:

the room was blue  
but nobody knew who much she blamed herself  
for years and years  
she tried to hide the whiskey on her breath  
she finally drank her pain away a little at a time  
but she never could get drunk enough to get him off her mind  
until tonight

Chorus [Brad and Alison Together]:

she put that bottle to her head and pulled the trigger  
and finally drank away his memory  
life is short but this time it was bigger  
than the strength she had to get up off her knees  
we found her with her face down in the pillow  
clinging to his picture for dear life  
we layed her next to him beneath the willow  
while the angels sang a whiskey lullabye  
la lala la lalala  
la lala la lalalaaaa

la lala la lalala  
la lala la lalalaaaa  
la lala la lalala  
la lala la lalalaaaa

la lala la lalala  
la lala la lalalaaaa  
la lala la lalala  
la lala la lalalaaaa
