When you say nothing at all

Its amazing how you can speak right to my heart

Without saying a word you can light up the dark

Try as I may I could never explain

What I hear when you dont say a thing

The smile on your face lets me know that you need me

Theres a truth in your eyes sayin youll never leave me

The touch of your hand says youll catch me if ever I fall

You say it best when you say nothing at all

All day long I can hear people talking out loud

But when you hold me near, you drown out the crowd

Old mr. webster could never define

Whats being said between your heart and mine

The smile on your face lets me know that you need me

Theres a truth in your eyes sayin youll never leave me

The touch of your hand says youll catch me if ever I fall

You say it best when you say nothing at all

The smile on your face lets me know that you need me

Theres a truth in your eyes sayin youll never leave me

The touch of your hand says youll catch me if ever I fall

You say it best when you say nothing at all
