

# Alison Moyet, Do You Ever Wonder

Written by Carlton McCarthy

Do you ever wonder  
What it's like  
To be alone and  
No sleep at night  
Ever wonder  
Is this for real  
Ever Wonder

Sometimes I think you sigh  
Time drifts by, once in a life  
Love is strong

I won't feel anything  
I'm lost without you

In my mind a picture  
That you frame  
Kaleidoscope of love you're showing me  
Loving sweet rays  
All hopes that fade  
My only gain  
My lonely game played without you

You sigh  
Time drifts by, once in a life  
Love is strong

I won't feel anything  
I'm lost without you

Through the wake of you  
Every now and then  
Every now and then  
The road that I follow is so far from you

Do you every wonder
