

Alison Moyet, Situation

blue eyed dressed for every situation
moving through the doorway of a nation
pick me up and shake the doubt
baby i can't do without

chorus

move out, don't mess around
move out, you bring me down
move out, how you get about
don't make a sound just move out

i remember only for an hour
move right through me can you feel the power
i don't know what's going on
it scares me but it won't take long

repeat chorus

now he's in control he is my lover
nations stand against him he's your brother
been a long time, been a long time now
i'll get to you somehow

repeat chorus
