

# Alison Wonderland, Down the Line

Packed your bags thought I was fine  
Didn't know it at the time  
Wish you listened when I told you  
Now I'm standing in this cold room  
I've been hiding in my work  
Keepin' busy cos it hurts  
Couldn't answer all your calls  
Thought you'd get it but you don't

I don't need somebody to tell me  
Everything, everything around me  
In this house now just feels lonely  
Cos I'm so fucking lonely

We need the dark times to get our life right  
I'm gonna be ok down the line  
I'm gonna be ok this time  
Maybe I'm not fine so I could realise  
I'm gonna be ok down the line  
I'm gonna be ok this time

I'm gonna, I'm, I'm gonna  
I'm gonna, I'm, I'm gonna  
I'm gonna ok this time

I'm gonna, I'm, I'm gonna  
I'm gonna be, I'm I'm gonna be  
I'm gonna, I'm, I'm gonna  
I'm gonna ok this time

Been up late a couple nights  
I've been tryna close my eyes  
But I keep staring at my phone  
(Staring at my phone)  
I can never be alone

I don't need somebody to tell me  
Everything, everything around me  
In this house now just feels lonely  
Cos I'm so fucking lonely

We need the dark times to get our life right  
I'm going to be ok down the line  
I'm going to be ok this time  
Maybe I'm not fine so I could realise  
I'm gonna be ok down the line  
I'm gonna be ok this time

I'm gonna, I'm gonna be, I'm, I'm gonna be  
I'm gonna, I'm, I'm gonna  
I'm gonna be ok this time  
I'm gonna I'm, I'm, gonna  
I'm gonna be I'm, I'm, gonna be  
I'm gonna I'm gonna  
I'm gonna be ok this time

We need the dark times to get our life right  
I'm gonna be ok down the line  
I'm gonna be ok this time  
Maybe I'm not fine so I could realise  
I'm gonna be ok down the line  
I'm gonna be ok this time
