me, my name is lolita  
lo or well lola  
they are similar  
me, my name is lolita  
when i dream of the wolves  
it's lola who is of health  
when i pitchfork my language  
i have there a crazy laugh  
also crazy as a phenomenon  
my name is lolita  
the water of life, the water to torrential loves  
refrain:  
it's not my fault  
and when i gave my language to the cats  
i seen the others  
ready to throw themselves upon me  
this is not my fault  
if i hear all around me  
me lolita  
me, my name is lolita  
student below  
blue jeans  
me, my name is lolita  
hot tempered and not  
half-cotton, half-wool  
motor and a mouth that doesn't tell  
mom that i am a phenomenon  
my name is lolita  
the water of life, the water to torrential loves  
repeat refrain  
lo-li-ta... lo-li-ta
