

# Alkaline Trio, Heaven

[Originally by The Psychedelic Furs]

[chorus]

heaven is the whole of the heart  
and heaven don't tear us apart  
yeah heaven is the whole of the heart  
and heaven don't tear you apart

there's too many kings  
wanna hold you down  
and a world at the window gone underground  
there's a hole in the sky  
where the sun don't shine  
and clock on the wall  
it counts my time

[chorus]

there's a song on the air  
with a love you line  
and a face in the glass  
and it looks like mine  
and i'm standing on ice when i say  
that i don't hear planes  
and i scream at the fools  
wanna jump my train

[chorus]
