

Alkaline Trio, Jaked On Green Beers

It's been a long time since I've been close to you
It's been a long time since I've been sad.
It's been a while since I've really spent time with you
Wish I could take back the times that I had.
The only thing that you ever really did for me
Was make me oh so miserable.
And the hope that I never see your face again
Is anything but questionable.

I hope this is goodbye.
I hope this is goodbye.

There was a time when I thought you were a friend to me
I think those times I was probably just drunk.
And if they offered a test about being a good friend
I'd put money down that you'd surely flunk.
The only thing that you ever really took from me
Were my records to sell them for dope.
Now all I have left is this heart in my chest
And my happiness helping me cope

I hope this is goodbye [x4]

Your dishonesty helping me cope.

I hope this is goodbye.
I hope this is goodbye....
