

# Alkaline Trio, Mercy Me

It's been a long day living with this  
It's been a long time since I felt so sick  
I took a long walk straight back home  
I could've walked back to San Francisco  
I used to long for time alone  
I used to long for a place of my own  
and I'm losing faith in everything  
I'm lost, so lost, I'm lost at sea, you see

I used to long for broken bones  
I used to long for a casket to call my own  
I never had a problem facing fear  
but I'm done, over and out my dear and

Oh mercy me  
God bless catastrophe  
There's no way in hell  
We'll ever live to see through this so  
Drive yourself insane tonight  
It's not that far away and I just  
filled up your tank earlier today  
(Yeah!)
