

# All-4-One, Christmas With My Baby

All-4-One

An All-4-One Christmas

Christmas With My Baby

i've been gone away from home for too long

and it's drivin' me crazy

'cause i'm missin my baby

i call her on the phone every day

just to say

even though we're apart

baby you're always in my heart

i can't wait to see my baby

smilin' right at me

i just wanna kiss her

ooo, i really miss her

and everything will be fine with me

once i get to see

my baby baby at christmas time

i just can't wait to spend

christmas with my baby

just seeing you again

holding you so gently

we're playing in the snow

just havin' a great day

i wanna be with you for christmas

now that christmas time is here

filled with cheer

my heart is beating so fast

i don't know if i can last

excitement's building up in me

i'm shaking

i've got a present for you

and girl you'll get it soon

i can't wait to see

my baby smiling right at me

i just wanna kiss her

ooo, i really miss her

and everything will be fine with me

once i get to see

my baby baby at christmas time

and i just can't wait to spend

christmas with my baby

just seein' you again

holding you so gently

sittin' by the fireplace

just havin' a great day

i wanna be with you for christmas

i just can't wait to spend

christmas with my baby

with you in my arms again

holding you so gently

let's decorate the christmas tree

just havin' a great day

i wanna be with you for christmas

i just can't wait to spend

just seeing you again

we're playing in the snow

i wanna be with you for christmas

i just can't wait to spend  
christmas with my baby  
just seeing you again  
holding you so gently  
we're playing in the snow  
just havin' a great day  
i wanna be with you for christmas...
