

All-4-One, Hard Habit to Break

I guess I thought you'll be here forever
Another illusion I chose to create
You don't know what you got until it's gone
And found out a little too late
I was acting as if you were lucky to have me
Doin' you a favor I hardly knew you were there
But then you were gone and it was all wrong
I didn't know how much I cared
Now being without you
Takes a lot of getting used to
Should learn to live with it
But I don't want to
Living without you
Is all a big mistake
Instead of getting easier
It's the hardest thing to take
I'm addicted to ya baby
You're a hard habit to break
You found someone else you had every reason
You know I can't blame you for runnin' to him
Two people together but living alone
I was spreading my love too thin
After all these years
I'm still tryin' to shake it
Doin' much better they say that it
Just takes time
But deep in the night it's an endless flight
I can't get ya out of my mind
Now being without you
Takes a lot of getting used to
Should learn to live with it
But I don't want to
Living without you
Is all a big mistake
Instead of getting easier
It's the hardest thing to take
I'm addicted to ya baby
You're a hard habit to break
I can't just get it off, off
I can't just get it off, off
Being without you
Takes a lot of getting used to
Should learn to live with it
I don't want to
Being without you
Is all a big mistake
Instead of getting easier
It's the hardest thing to take
I'm addicted to ya baby
You're a hard habit to break
I can't just get it off, off
I can't just get it off, off
I can't just get it off, off
I can't just get it off, off
I can't just get it off, off
I can't just get it off, off
I can't just get it off, off
I can't just get it off, off
