

All-4-One, How To Love Again

All-4-One

On & On

How To Love Again

You look so loney just standing there

Hurting from love

You smile but cannot hide the pain of losing too much

I know your heart's been hurt so many times

And you don't want to fall in love again

Let me dry each tear you cry

I'll show you how to love again

Just take my hand and we'll fly away

Chase all our dreams

Just close your eyes and let me take you

To places you've never seen

I know your heart's been hurt so many times

And you don't want to fall in love again

Let me dry each tear you cry

I'll show you how to love again

So when you're feeling strange, afraid or insecure

Let me be the one to take your hand

And leave you safe and warm

I know what you're thinking

That you've heard it all before

And if you don't believe i mean what i say

Then baby walk out that door

I know your heart's been hurt so many times

And you don't want to fall in love again

Let me dry each tear you cry

I'll show you how to love again

I know your heart's been hurt so many times

And you don't want to fall in love again

Let me dry each tear you cry

I'll show you how to love again

Hurt so many times

And you don't want to fall in love again

Let me dry each tear you cry

I'll show you how to love again

Let me dry each tear you cry

How to love again

Hurt too many times

And you don't want to fall in love again

Let me dry each tear you cry

I'll show you how to love again
