

All-4-One, I Am Blessed

All-4-One

A41

I Am Blessed

Sometimes I stop

Take a look at myself

And realize just what I've done

It's not that I'm better than

It's just that I thought "I can."

I played the odds and I won

So I have no right to complain

Or feel sorry for myself

When so many more have less

I look around

And I realize

I am so blessed

Yes I am blessed

I am so blessed

Yes I am blessed

It's hard to conceive

People look up to me

And somehow it makes them believe

That as long as you dream

No matter what life may bring

With God you can do anything

There may be times when the world

seems so cold

And times when I cannot rest

(I don't complain)

Cause I know inside that...

I am so blessed

(In the morning when I rise)

Yes I am blessed

I am so blessed

I am blessed, Yes I'm blessed

Of all of the places I've been

And people that I've met

A lifetime of memories I'll never forget

I look back with no regrets cuz...

I am so blessed

Yes I am blessed

I am so blessed

Yes I am blessed

Blessed..

OOohhhhh!
