

All-4-One, I Don't Want To Cry

Sitting here in silence
Pretending nothing's wrong
Trying hard to tell myself
I can go on
No I can't imagine, never holding you in these arms
I know I'll never love that way again
Staring at your picture
Hanging on the wall
Nothings left but sad memories
In these four walls
Thinking back to the moments
All the times you made me smile
I wonder if I'll feel that way again
'Cause all the love I've known
I carry in my heart forever and when you smile
It takes my breath away, thought I could go on
But when you left, you left me here
So all alone nothing left to hold
I don't wanna cry
I don't wanna say goodbye
When I think of you, I can't let go
No matter how I try
In a perfect situation, you'd still be mine
But for now, I'll have to learn
To say goodbye
'Cause all the love I've known
I carry in my heart forever and when you smile
It takes my breath away, thought I could go on
But when you left, you left me here
So all alone nothing left to hold
I don't wanna cry
I don't wanna say goodbye
When I think of you, I can't let go
No matter how I try
In a perfect situation, you'd still be mine
But for now, I'll have to learn
To say goodbye
I don't wanna cry
I don't wanna say goodbye
When I think of you, I can't let go
No matter how I try
In a perfect situation, you'd still be mine
But for now, I'll have to learn
To say goodbye
