

All-4-One, I Turn To You

When I'm lost in the rain
In your eyes I know I'll find the light to light my way
And when I'm scared of losing ground
When my world is going crazy, you can turn it all around
And when I'm down you're there
Pushing me to the top, girl
You're always there
Giving me all you've got
For a shield, from the storm
For a friend, for a love to keep me safe and warm
I turn to you for the strength to be strong
For the will to carry on or everything I do
For everything that's true, I turn to you
When I lose the will to win
I just reach for you and I can reach the sky again
I can do anything
'Cause your love is so amazing
'Cause your love inspires me
(Yes, it does)
And when I need a friend, you're always on my side
Giving me faith, taking me through the night
For a shield, from the storm
For a friend, for a love to keep me safe and warm
I turn to you for the strength to be strong
For the will to carry on or everything I do
For everything that's true, I turn to you
For the arms to be my shelter through all the rain
For truth that will never change
For someone to lean on
For the heart I can rely on through anything
For that one who I can run to
For a shield, from the storm
For a friend, for a love to keep me safe and warm
I turn to you for the strength to be strong
For the will to carry on or everything I do
For everything that's true, I turn to you
