

All-4-One, No Doubt

All-4-One

On & On

No Doubt

From the very first moment that i looked in your eyes
Baby what can i say i've been lost in a daze
I never thought i'd find a love like this till you came my way
Though i hoped and i prayed that i'd find you someday
'cause you opened my heart
This precious gift of love
I'm thankful for you every day

I'm crazy over you, tell me what am i supposed to do
Fallin' head right over heels, lose my mind when i'm with you
I've been walkin' on cloud nine, thinkin' about you all the time
I'm a fool in love oh yeah, ain't no doubt about it

Never been more sure of anything in my life
You know i'll always be there i'm gonna love you forever baby
Let's talk about tomorrow and the rest of our lives
Till the end of time i'm gonna stand by your side
'cause you've opened up my heart
This precious gift of love
I'm thankful for you every day

I'm crazy over you, tell me what am i supposed to do
Fallin' head right over heels, lose my mind when i'm with you
I've been walkin' on cloud nine, thinkin' about you all the time
I'm a fool in love oh yeah, ain't no doubt about it

No doubt, when your lips are touchin' mine
No doubt, when you look into my eyes
No doubt, i just wanna be with you
Ain't no doubt

I'm crazy over you, tell me what am i supposed to do
Fallin' head right over heels, lose my mind when i'm with you
I've been walkin' on cloud nine, thinkin' about you all the time
I'm a fool in love oh yeah, ain't no doubt about it
