

All-4-One, Not Ready For Goodbye

v1:

Sittin here staring at the wall
Another lonely tear falls
I'm tryin to write you this song
But i can hardly see the page at all
Cause it's breaking my heart
When i look in your eyes
And i don't see me anymore
When you're all i'm living for

chorus:

Baby tell me that you still believe
That you still love me
The way i love you
If you take your love away from me
You know i will die
Cause i'm not ready for goodbye

v2:

Baby please pick up the phone
Tell me i'm crazy
I got it all wrong
I don't know what i'm gonna do
I don't know how to live without you
You are the first song
My heart ever heard
And baby i
I believe every word
You are my heart
My soul
My world

Chorus

v3:

Every breath that i take
Every beat of my heart
You know it's all for you
I wanna hold you
I wanna love you
Forever and always

Chorus 2x
