All-4-One, Not Ready For Goodbye

v1:

Sittin here staring at the wall Another lonely tear falls I'm tryin to write you this song But i can hardly see the page at all Cause it's breaking my heart When i look in your eyes And i don't see me anymore When you're all i'm living for

chorus:

Baby tell me that you still believe That you still love me The way i love you If you take your love away from me You know i will die Cause i'm not ready for goodbye

v2:

Baby please pick up the phone
Tell me i'm crazy
I got it all wrong
I don't know what i'm gonna do
I don't know how to live without you
You are the first song
My heart ever heard
And baby i
I believe every word
You are my heart
My soul
My world

Chorus

v3:

Every breath that i take Every beat of my heart You know it's all for you I wanna hold you I wanna love you Forever and always

Chorus 2x
