

All 4 One, Not Ready For Goodbye

Sitting here staring at the wall
Another lonely tear falls
I'm trying to write you this song
But I can hardly see the page at all
Cause it breaking my heart
When I look in your eyes
And I don't see me anymore
Oh, And You're all I'm living for
Baby tell me that you still believe
That you still love me
The way I love you
If you take your love away from me
You know I would die
Cause I'm not ready for goodbye
{Oh...Oh...Oh...}
Baby please pick up the phone
Tell me I'm crazy, I got it all wrong
I don't know what I'm gonna do
I don't know how to live without you
You are the first song
My heart ever heard
And baby I I believe every word
You are my heart my soul my world
Baby tell me that you still believe
That you still love me
{That you still love me, baby}
The way I love you
{The way I love you}
If you take your love away from me
You know I would die
{Would die}
Cause I'm not ready for goodbye
{Goodbye}
Every breath that I take
Every beat of my heart
You know it's all for you
I wanna hold you
I wanna love you
Forever and always
Baby tell me that you still believe
{Tell me}
That you still love me
{That you still love me, baby}
The way I love You
{The way I love you}
If you take your love away from me
{Oh...Oh...Oh...}
You know i would die
{Oh...}
Cause I'm not ready for
{Goodbye}
Baby tell me that you still believe
{Tell me}
That you still love me
{That you still love me}
The way I love You
{The way I love you}
If you take your love away from me
{If you take your love away}
I know i would die
{I know I would die}
Cause I'm not ready for goodbye, goodbye,
goodbye, goodbye
