

All-4-One, One More Summer Night

one summer night
we fell in love
one summer night
i held you tight
you and i
under the moon of love (moon of love)
one summer night
i kissed your lips
one summer night
i held you close
you and i
under the moon of love

you kissed me oh so tenderly
and i knew this was love
and as i held you oh so close
i knew no one could ever take your place

oh one summer night
we fell in love
one summer night
i held you tight
you and i
under the moon of love (moon of love)

baby, i love you so much
when i hold you in my arms
i feel eternal love
i don't ever want to lose your love
i want our love to last forever

you kissed me oh so tenderly
and i knew this was love
and as i held you oh so close
i knew no one could ever take your place

oh one summer night
we fell in love
one summer night
i kissed your lips
you and i
under the moon of love
moon of love
