

All-4-One, Someone Who Lives In Your Heart

Last night, I dreamt that you were beside me
It seemed so real, that I cried
When you touched me, you're my angel
And you've given me wings
And I'll fly away with you wherever you go
Cause you've filled my heart and you've captured my soul
And baby I want you to know

If there's one thing in this world that I know is true
It's the love that I feel when I'm thinking of you
No ocean, no mountain can keep us apart
Cause no one can take away someone who lives in your heart
All our hopes and our dreams are alive
I'll carry you with me through distance and time
Nothing in this world can keep us apart
No one can take away someone who lives in your heart

And I know there's a million stars between us
But they won't stop my longing
To hold you and to kiss you
How I love you

And I'll find my way to you wherever you are
Coz you're in my soul and you've got my heart
And your love will carry me on

If there's one thing in this world that I know is true
It's the love that I feel when I'm thinking of you
No ocean or mountain could keep us apart
Coz no one can take away someone who lives in your heart
All the hopes and the dreams are alive
I'll carry it with me through distance and time
No one in this world could keep us apart
Coz no one can take away someone who lives in your heart
