All About Eve, She Moves Through The Fair

My young love said to me
My mother won't mind
And my father won't slight you
For your lack of kind
And she laid her hand on me
And this she did say
It will not be long 'till our wedding day

And she went away from me And she moved through the fair And fondly I watched her move here and move there And then she went onwards

Just one star awake Like the swan in the evening Moves over the lake

Last night she came to me
My dead love came in
So softly she came that her feet no din
And she laid her hand on me
And this she did say
It will not be long now
Till our wedding day
