

All, Alfredo's

Here's a message from the boys of ALL
Not to be rude but when it comes to food
There's really only one place you can go -
Go to ALFREDOS, in Lomita
Even the Russians go to Alfredo's
Even the Martians go to Alfredo's
My heart yearns for you Alfredo
My heart burns for you Alfredo
Romance is in the air
You'll always find us there
If my allculations are correct
The dishwasher is a victim of much neglect
Our name is ALL and we wrote this song
It's not very good, people say it's too long
Well listen up Alfredo, this is for you
The reason why we wrote this is to get some free food!
We want: Massive enchiladas with rice and beans!
We want: Two beef tacos, #10 that means!
We want: Chicken tostadas, lots of beans and rice!
We want: Lots of cokes and lots of ice!
And another thing, Alfredo -
We're ALL - we practically live here
We want you to stay open
595 hours a day
765 days a year
7 weeks a month
645 minutes an hour
1733 Pacific Coast Highway, in Lomita, 90717
534-9924 - give 'em a call
We don't speak spanish
We just speak food
Because we're ALL
And that's ALL we do
This is no place to take a chick
The food is great but she might get sick
It's just a hole in the wall
But it's good enough for ALL!!!
