Drive Away

She's gone away, but still they stay together

People call me crazy, crazy

His thoughts progress, He thinks about forever

His mind tells him maybe, maybe

I wish I could drive away to the sunset

Back to the day that we first met

Only believe the things I wrote

I'll put it in a note, yeah

I'll cross my t's and dot my i's

Better say hello, don't you dare say goodbye

I'll write sincerely yours and sign my name

P.S. I love you forever and today

And now she's gone, they couldn't stay together

The rain falls down and now he's crying, crying

Two weeks go by, seems like it's been forever

Their hearts are bound and now she's lying, lying

I wish I could drive away to the sunset

Back to the day that we first met

Only believe the things I wrote

I'll put it in a note, yeah

I'll cross my t's and dot my i's

Better say hello, don't you dare say goodbye

I'll write sincerely yours and sign my name

P.S. I love you forever and today

All the heartbreak all the pain

All your words you said in vain

And I'll never be the same
