Drive Away
She's gone away, but still they stay together
People call me crazy, crazy
His thoughts progress, He thinks about forever
His mind tells him maybe, maybe

I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
I'll put it in a note, yeah
I'll cross my t's and dot my i's
Better say hello, don't you dare say goodbye
I'll write sincerely yours and sign my name
P.S. I love you forever and today

And now she's gone, they couldn't stay together The rain falls down and now he's crying, crying Two weeks go by, seems like it's been forever Their hearts are bound and now she's lying, lying

I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
I'll put it in a note, yeah
I'll cross my t's and dot my i's
Better say hello, don't you dare say goodbye
I'll write sincerely yours and sign my name
P.S. I love you forever and today

All the heartbreak all the pain All your words you said in vain And I'll never be the same
