It ends tonight

You're saddle days... They strangle me... I can't explain myself at all.. And All the wants, and all the

The walls start breathing, my mind on weathing maybe its best if you leave me alone.

The weight is lifted, on this evenin' I give the final blow

When darkness turns to light, it ends tonight.

It ends tonight.

The falling stars at least i fall alone I cant explain what you can't explain. You're fighting things that

The walls start breating, my mind on weathing maybe it's you leave me alone.

The weight is lifted, on this evenin'

I give the final blow

When darkness turns to light, it ends tonight, it ends tonight. Just a little inside will make this right.

When darkness turns to light It ends tonight.

It ends tonight. Just little inside will make this right. Too late to fight. It ends when darkness turns t
