

All American Rejects, Damn Girl

If you feel like runnin' today
You know I'd understand
You don't, but you won't
It's easier to give it away
When, on the other hand, you know
I'm not much better without you
I'm like a victim
And all that you need is an alibi
That's one thing about you
I don't wanna make you cry
Damn, girl
Dry your eyes
You stole my heart
And then you kicked it aside
No, girl
You can't see
When he's inside you
Know there's no room for me
If you can take a chance
Find you that better man
Well, life seeps
From your quaint disease
You're giving all my lovin' away
Tell me to understand
'Cause you know
I'm not much better without you
I press your lips
And I taste everyone
That you've had tonight
It's one thing about you
I don't want to taste tonight
Damn, girl
Dry your eyes
(Dry your eyes)
You stole my heart
And then you kicked it aside
No, girl
You can't see
(You can't see)
When he's inside you
Know there's no room for me
And I used to think
That I was all you would need
(Na na na)
And now you go again
(Na na na)
You think that
You can just push me around
(Na na na)
Yeah, and there you go again
You lift me up
And then you throw me back down
Damn, girl
Dry your eyes
(Dry your eyes)
You stole my heart
And then you kicked it aside
No, girl
You can't see
(You can't see)
When he's inside you
Know there's no room for me
Damn, girl
(Damn, girl)

Dry your eyes
(Dry your eyes)
You stole my heart
And then you kicked it aside
No, girl
(Damn, girl)
You can't see
(You can't see)
When he's inside you
Know there's no room for me
And I used to think
That I was all you would need
If you feel like runnin' today
You know I'd understand
