

All American Rejects, It Ends Tonight

All American Rejects

Move Along

It Ends Tonight

Your subtleties, they strangle me.

I can't explain my self at all.

And all the wants and all the needs,

All i don't want to need at all

they won't start breathin'

my minds unweavin

maybe it's best you leave me alone

A weight is lifted on this evenin'

I give the final blow

when darkness turns to light

it ends tonight, it ends tonight

A fallen star, at least i fall alone

I can explain what you can't explain

you're findin' things

that ya didn't know

i look at you with such disdain

they won't start breathin'

my minds unweavin'

maybe it's best you leave me alone

A weight is lifted on this evenin'

I give the final blow

when darkness turns to light

it ends tonight, it ends tonight

just a little inside won't make this right it's too late to fight it ends tonight it ends tonight

now i'm on my own side

it's better than bein' on your side

it's my fault when you're blind

it's better than seeing thru your eyes

all these thoughts locked inside

now youre the first to know

when darkness turns to light

it ends tonight, it ends tonight

just a little inside won't make this right it's too late to fight

it ends tonight

it ends whendarkness turns to light

it ends tonight, it ends tonight

just a little inside won't make this right it's too late to fight

it ends tonight it ends tonight

tonight, inside

when darkness turns to light

it ends tonight
