Time Still Stands

Him and her

Life is turned.

The day I knew you would leave

I can barely breath

Can you hear me scream

O-o-o thrown in all directions

You epitome of perfection

She's lost her will,

time is standing still

He walks, her, home

Now he walks a-lone

The days they turn into years

The eyes they drown in tears

Can you hear me scream

The way we are the way they were

(It's just a shadow of what's wrong)

The time with you the time is stirred

(I love you for , so long)

The hearts they turn, they turn away

(she says to go please don't you cry)

Love lost was found, night turns to day

Time is standing still
