

# All Saints, If You Want To Party (I Found Lovin')

C'mon now, now  
Ooh-hoo-hoo-hoo  
Start it  
Hey

Hey, what's up? Gather round, everybody get down  
It's time for the best party track in town  
Kicking it live, keeping it real  
Party on time, yeah, you know how we feel

You gotta get up and move side to side  
You've gotta release and do it right  
It's a funkadelic beat to a funkadelic song  
Still kicking it live, with the main man, John

Saints in da house, you're doing it right  
Cool rock a jam and party all night  
So lets get started baby, you and I  
Go on with your bad self, dance all night

So can you feel it, I can feel it hey,  
Can you feel the beat? Got the bass drum doing in your feet,  
Hear the snare drum tapping in your ear  
Yeah, you've gotta get up, gotta move your rear

That's, the way this heart is feeling for you [Shaz, Nat & Nic]  
Cos no one does it better  
Boy, there ain't no town just what I wanna do [Shaz, Nat & Nic]  
So won't you let me switch on

Let's get started, if you wanna party  
Baby it's just you and me  
I got what you need  
Don't conceal it, tell me can you feel it  
Won't you let me lead the way,  
Cos I wanna be your baby for life

Ooh, come on everybody, if you're here to party  
get down, get down  
Oh, if its gonna take all night  
Mr DJ save my life, come on and get down

That's, the way this heart is feeling for you [Shaz, Nat & Nic]  
Cos no one does it better  
Boy, there ain't no town just what I wanna do [Shaz, Nat & Nic]  
So won't you let me switch on

Let's get started, if you wanna party  
Baby it's just you and me  
I got what you need  
Don't conceal it, tell me can you feel it  
Won't you let me lead the way,  
Cos I wanna be your baby for life

So on and on, on and on and on  
check it, check it, check it out  
to the break a break of dawn  
As the bass drum stick it to your ear  
Can you hear? Move your rear  
Wind your body to the beautiful snare

Guys grab a girl and take her from the back  
Give it up, give it up, cos we like it like that  
Girls grab a guy, showing that you ain't feeling shy

Keep it going as the bridge comes, keep in time

If its right, we could be, starting up, you and me  
(That's the way this heart is a feelin' for you) [Shaz, Nat & Nic]  
Get it on, what I need, DJ play that song for me  
Time is right, in the mood, stepping with the old school  
Boy, there ain't no doubt just what I wanna do [Shaz, Nat & Nic]

Let's get, lets get, hey  
Hey, oh yeah, lets get started  
I say baby, oooh, somebody gotta treat me right

Let's get started, Let's get started, let, if you wanna party,  
Baby its just you and me, I got what you need,  
Don't conceal it, tell me can you feel it,  
Won't you let me led the way,  
Cos I wanna be your baby for life

[Repeat Chorus 'till fade.]

(Hey, Mr DJ, won't you play that song? We go on and on and on,  
Hey, Mr DJ, won't you play that song? We go on and on) [Nat & Nic]

As I'm watching me  
It's just you and me
