

# All, Sex In The Way

I'd like to see you every night and day  
With sex in the way  
I can't see a thing  
And dream about you every night and day  
With sex in the way  
I can't see a thing  
My mind's between your legs  
My soul is lying in your bed  
Now I'm not really sure  
Things so evil feel so pure  
I'd like to see if I deserve your love  
With sex in the way  
I can't see a thing  
Why must we kiss?  
Each time we say goodbye  
Why must we say  
That three word lover's lie  
I'd like to see if you are as you seem  
With sex in the way  
I can't see a thing  
I'd like to see if I deserve your love  
With sex in the way  
I can't see a thing  
I'd like to see if you are as you seem  
With sex in the way  
I can't see a thing
