## All Star Tribute, What's Goin' On

What's going on Tell me

People dying, people crying

Lord help us Mother, mother

There's too many of you crying Oh, brother, brother, brother

There's far too many of you dying

That's right

You know we've got to find a way

To bring some lovin' here today Oh my father, father

We don't need to escalate

You see war is not the answer

For only love can conquer hate

You know we've got to find a way

To bring some lovin' here today

Barricades, can't block our way

Don't punish me with brutality

Talk to me

So you can see

Oh, what's going on?

What's going on?

Yeah, what's going on?

Ahh, what's going on?

What's going on in a world filled with pain?

Where's the love for which we pray

What's going on?

When our children can't play

Homeless can't eat

There's got to be a better way

What's going on?

When we politically blind

Can't see the signs of endangered times

What's going on?

Ah, tell me

What's going on in the world today

I'd rather be dead than turn my head away

We gotta first world vision to to lift our

Hands in the air and cry for a switch

Father, father

Father help us, come on

Everybody thinks we're wrong

Oh, but who are they to judge us

Together we can all be strong

United we stand, united we fall

Oh, you know we've got to find a way

To bring some understanding here today

Barricades can't block our way

Don't punish me with brutality

Baby talk to me

So you can see

Yeah, what's going on?

Hey, what's going on?

Somebody tell me what's going on?

I'll tell you what's goin' on? Uh

What's going on 'cross seas Every minute a child dies by this disease

In record numbers indeed Got momma's crying out please

My baby hold on

My child ain't done nothing wrong

Still I want to hollar

Ask them why they don't bother

Oh no, oh no

Make me turn to my father

And ask him why they all got a trapped soul

I can feel what was bothering Marvin

Why his words forever remain

Dealing with these modern day problems

'Cause of ignorance surrounding me and my constituents

Too many infected, too many lives diminishing

Nobody say Protestants, Jews, Blacks and Whites

Latino's and Asians

Pray together, less fight

We better unite

As genocide chemical war

And the rich and the poor

Know that God delivers a cure

It's a shame our reality is devastating

People praying for a cure

Dying while they're waiting

Ask the Lord for the comfort and strength to face it

All the kids with dreams

Won't get the chance to chase it

Makes me sad

Think about the lives they would've had

Think about the orphan babies got no moms and dads

How can we sit back and not try to make it right

We gotta come together

We gotta fight for life

Somebody tell me what's going on

(What's going on?)

We got human beings using humans for bombs

But everyone wanna live

Don't nobody really want to die

You feeling me right

I can't be watching people die

(Die)

And watching people cry

Let me break it down for a minute

If there's enough room here for you and me

There's plenty of room for some humanity

Somebody tell me what's going on?

(What's going on?)

Somebody tell me what's going on?

(What's going on?)

Somebody tell me what's going on?

(What's going on?)

Somebody tell me what's going on?

(What's going on?)

Somebody tell me what's going on?
