

# All That Remains, Chiron

Have not the strongest  
And closest ties been bound so long  
I've called upon them  
They remind me where I'm from  
With deep conviction  
I am connected cross the miles  
With out them nothing worth relying on  
It's been so long since I could say  
I've needed anything stronger  
We can't be wrong when we have ties that bind us  
If I rely and I know the strength  
In those who taught me of the  
Power in the ties that bind  
When I turn inward  
And look for strength within my self  
And demonstrations of courage  
Are the result  
If inspiration is wholly shared  
Then more is the gain  
Then I will follow  
The selfless actions displayed  
We are made powerful
